

“Go Green” Season Windup

As a year-end function, a number of the golf courses run a “Par 3” tournament, where they turn all 18 holes into Par 3s (ranging from 100-200 yards). Although, this is a great idea, it means establishing proper player handicaps to run a net component is difficult.

The year-end function at Carstairs Community Golf Club will be to play every hole from the Green Tee Boxes. Since these Tee Boxes are Rated and Sloped for both Men and Ladies, a proper player handicap can be established to allow us to include a net component.

- Date: TBD
- Open to Everyone (must have a valid handicap index to be eligible for Net prizes)
- Entry: \$10
- Men's and Ladies' Divisions (Gross & Net)
