

Carstairs' "Amen Corner"

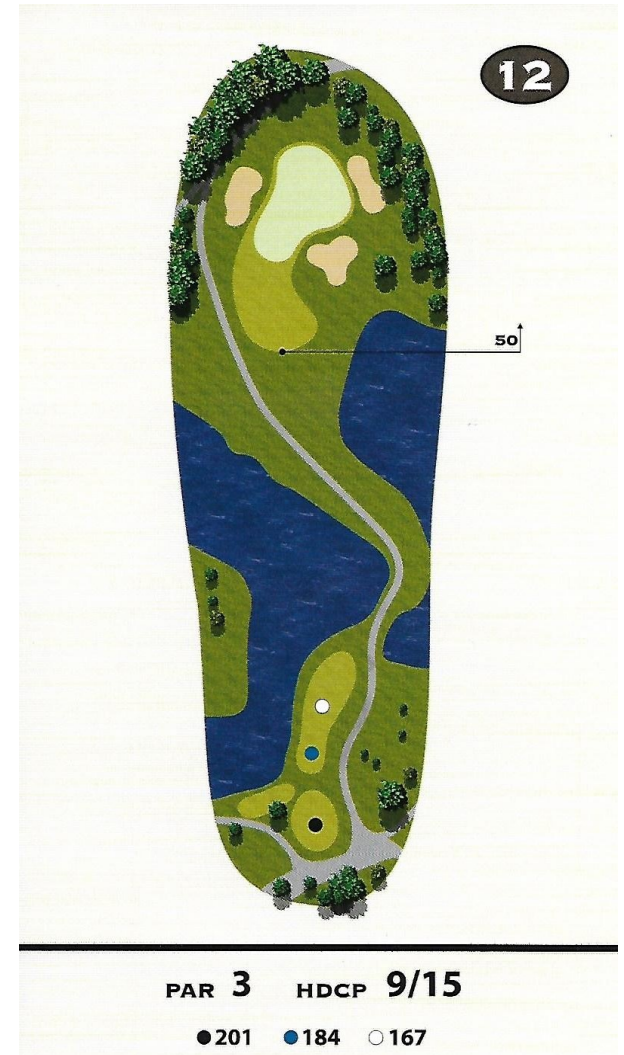

Hole #10 - Par 4

The beginning of Carstairs' "Amen Corner". Favour the right hand side off the tee on this par 4 to avoid the trees and bunkers on the left. Hitting the green is a must as this green is guarded with bunkers and long rough on both sides and going long will leave a very difficult up and down.

Hole #11 - Par 5

A long, slight dogleg right par 5. Looks can be deceiving, this hole has many features including large bunkers, water and a sloping green. Long hitters can get home in 2 but for a reasonable birdie chance, this hole is best played as a 3 shot hole.

Hole #12 - Par 3

A long par 3 with water on the right and two bunkers guarding the green. Accuracy is key here as the green entry is narrow. Short of the green leaves a chip and putt. Be aware of the pin placement as this green has two tiers. Depending on wind direction, a par on this hole could feel like a birdie.
