

Hole #13 - Par 4

The most difficult par 4 on the course. A well placed tee shot to the left of the pond is the ideal tee shot. Watch out for the water on the right and left off the tee. One of the flattest and largest greens on the course. Par will feel like a birdie.

Hole #14 - Par 3

Hitting the green is key. This green has three large bunkers strategically placed and deep rough that will swallow up any misguided tee shots. Don't think this hole is an easy one.

Hole #15 - Par 4

Accuracy is key here on this medium length par 4. Trees guard the left and a bunker and trees guard the right side of the fairway. A narrow green surrounded by a bunker on the left, choose your club carefully, you do not want to be long.
