

**PAR 4    HDCP 15/13**

● 340   ● 320   ○ 313

**Hole #16 - Par 4**

A real birdie opportunity rewards good placement off the tee. Long hitters can go for the green, but finding the trees on the left could result in a double. This large green is difficult to read so be careful when lining up your putt.

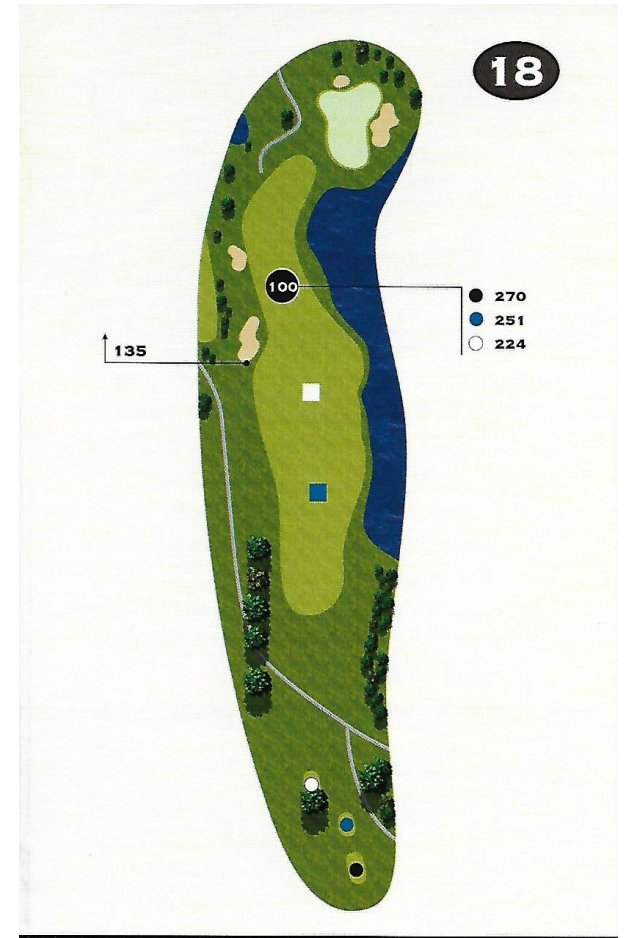

**PAR 5    HDCP 13/1**

● 501   ● 485   ○ 472

**Hole #17 - Par 5**

A medium length par 5. This hole requires precision off the tee, left is out of bounds and a large pond is in play on the right. Long hitters can reach in 2, but large bunkers guard the front and right of the green. For the best chance at birdie, play it as a 3 shot hole.

**PAR 4    HDCP 7/9**

● 370   ● 351   ○ 324

**Hole #18 - Par 4**

A well placed tee shot avoiding the water on the right will leave you with a mid iron into this green guarded by bunkers and a large pond. Club selection is key on your approach as don't want to be short or long. Par is a great score on this finishing hole.
