

**Hole #7 - Par 4**

Accuracy is key here on this short par 4. Trees and a bunker guard the left hand side and deep rough and mounds to the right. A narrow green surrounded by bunkers and water awaits, play to the center of the green on this hole.

**Hole #8 - Par 3**

A real birdie opportunity rewards good placement off the tee on this short par 3. This large green is difficult to read so be careful when lining up and try to leave yourself below the hole to avoid a tricky 2 putt.

**Hole #9 - Par 5**

Favour the left hand side off the tee on this par 5 to avoid the bunkers on the right. Take plenty of club for your approach shot as a large bunker awaits those who come up short. Hitting the green is a must as long and right is likely a lost ball.
