Our main goals of this clinic is to: Reinforce good fundamentals for the junior golfer, provide mentorship to players who are committed to improve, build a comfortable base for junior golfers to meet other players with similar skill, to increase the preparation of the junior golfer for play on the golf course by teaching etiquette, safety, rules, proper technique, trouble shots, club selection and course management as well as providing feedback to individual students on a consistent basis.

- **Most importantly we want our juniors to HAVE FUN!**

Dress Code
