Mission Statement

To promote the game of golf to our junior members and assist in their development within the sport and their character. Ensuring that our juniors establish and maintain a sense of integrity, sportsmanship and respect both on and off the course is our ultimate goal.

Overview of the 2020 Junior Clinic

This program will consist of 1 instructional lesson every other week. The Carstairs Junior Program provides instruction and events for all boys and girls between the ages of 6 & 18 years.

Clinic Objectives

This clinic is designed to promote the game of golf to junior golfers at an early age and begin to learn fundamentals to help growth and improvement both on and off the course.

Our main goals of this clinic is to: Reinforce good fundamentals for the junior golfer, provide mentorship to players who are committed to improve, build a comfortable base for junior golfers to meet other players with similar skill, to increase the preparation of the junior golfer for play on the golf course by teaching etiquette, safety, rules, proper technique, trouble shots, club selection and course management as well as providing feedback to individual students on a consistent basis.

- Most importantly we want our juniors to **HAVE FUN!**

Ways of Communicating

The primary method of communication for registered students will be via Email. An email will be sent out to ALL registered students for CANCELLED Junior Clinic. Junior Clinic will only be cancelled due to inclement weather (raining, lightning, storm warning) OR unplayable course conditions.

- The course will try to provide as much notice for cancellations as possible, please be aware that weather can change quickly and therefore might leave us no choice but to cancel with short notice.

Outcomes

By the end of the program, students will have increased knowledge of fundamentals of the golf swing, golf etiquette and rules of golf. The students will have more confidence in their golf games. The progression of the instructional program is designed to support the multi-skill development and focuses on all aspects of the game.

Junior Membership / Clinic Info sheet

*(Information Required) *

Name: _____ Age: _____ Gender: [M] or [F]

Home Telephone: _____ Cell Phone: _____

Email Address: _____

Parent(s) Name: _____ / _____
